**Narrative:**

The Ventura Police Department (VPD) will be holding two community meetings regarding a discussion of crime in our community. There will be two opportunities for individuals to partake in the meetings; the first will take place on December 3 at 6:30 p.m. at the VPD, and the second meeting will be held on December 9, also at 6:30 p.m., at Ventura's City Hall within the Community Meeting Room. (Complete address location is shown above).

The purpose of the meeting is to provide an update on crime in our community and to engage in a conversation with our community regarding policing, priorities, and the future of policing in our city. This is a great opportunity for community members to speak directly with members of the VPD including Police Chief Ken Corney, Assistant Chief Brock Avery, Assistant Chief David Wilson, and other VPD Command Staff and employees who will be available.

Said Ventura Police Chief Ken Corney, "The idea of these meeting is to bring community members and VPD Staff together to not only provide an update on crime within our city but to hear from people regarding their concerns and thoughts of crime within Ventura." Continued Corney, "I've always said we can't do this job by ourselves and the more connection we can have with the community, the better."

The event is free and we encourage anyone who lives, owns a business, or works in Ventura to attend. If you have questions regarding the event please contact Assistant Police Chief David Wilson at 805-339-4337, or via email at [dwilson@venturapd.org](mailto:dwilson@venturapd.org).
